

Bolivar Technical College-DRUG SCREEN RELEASE FORM

I agree to submit to a drug and alcohol test as required by Bolivar Technical College's drug/alcohol testing policy. I agree to provide a sample of my urine, breath, and/or blood for the testing procedure. I understand and agree that if I at any time refuse to submit to a drug or alcohol test, or if I otherwise fail to cooperate with the testing procedures, I will be subject to immediate dismissal.

I further authorize and give full permission to have Bolivar Technical College send the specimen or specimens so collected to a laboratory for a screening test for the presence of any prohibited substances under the policy, and for the laboratory or other testing facility to release any and all documentation relating to such test to Bolivar Technical College and/or to any governmental entity involved in a legal proceeding or investigation connected with the test. This information will be kept confidential and will be reviewed only by administrative staff and the program director. I authorize Bolivar Technical College to disclose any documentation relating to such test to any governmental entity involved in a legal proceeding or investigation connected with the test. Finally, in the event the initial drug screen indicates that a more extensive test is needed I understand that I may be responsible for additional testing fees.

I will hold harmless Bolivar Technical College. This means that I will not sue or hold responsible such parties for any alleged harm to me that might result from such testing, including loss of employment or any other kind of adverse job action that might arise as a result of the drug or alcohol test, even if a Bolivar Technical College or laboratory representative makes an error in the administration or analysis of the test or the reporting of the results. I will further hold harmless Bolivar Technical College for any alleged harm to me that might result from the release or use of information or documentation relating to the drug or alcohol test, as long as the release or use of the information is within the scope of this policy and the procedures as explained in the paragraph above.

This policy and authorization have been explained to me in a language I understand, and I have been told that if I have any questions about the test or the policy, they will be answered.
