

Professional Nursing (RN)

Academic Associate of
Science Degree in Nursing

Bolivar
Technical
College

BTC. Where we know
you by name, and help
is always available.

The opportunities for RNs are almost limitless. You could opt for the fast-paced environment of the ER, a somewhat slower-paced long-term care facility, or anything from clinics to hospitals, nursing homes to home health. There are not enough trained RNs to fill all of the open jobs, so nurses are in a great position.

No LPN required!

Starts every fall
Program length: 4 semesters/64 weeks

100 %
overall NCLEX pass
rate for '25 RN grads

BTC Graduates have a great reputation among local healthcare facilities, which is why nearly every one of our graduates is able to secure a job right out of college.

“BTC appears to graduate very well-rounded nurses that are superior to other graduates in technical skill and assessment.”

-BTC grad's supervisor at Mercy

"I know that I am meant to be a nurse.
It's my mission as a human being."
